DLTK's Holiday Activities

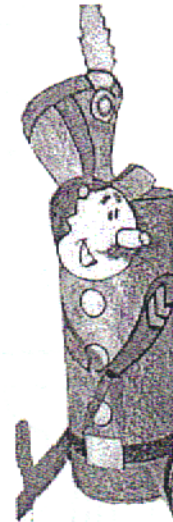

Nutcracker Toilet Paper Roll Craft

Materials:

- a tp roll
- a printer,
- a piece of paper... I always prefer to use a heavy paper (like construction paper), but it isn't necessary.
- some crayons, paint, markers or pencil crayons,
- scissors, and
- glue.

Instructions

- Print out the template of choice.
- Colour (where appropriate) and cut out the template pieces.
- Glue the rectangle onto the tp roll
- Glue the belt over top.
- Glue on the head, legs and arms.
- We glued the legs on so it looks like he's sitting down.
- Attach a string, ribbon or wool as a hanger if you want to hang on the Christmas tree.
- Close the template window after printing to return to this screen.
- Set page margins to zero if you have trouble fitting the template on one page (FILE, PAGE SETUP or FILE, PRINTER SETUP in most browsers).
